---------------------------	--------------------------	------------------------------	-----------------------------	------------------------------	--------------------------------	-----------------------------

**Winter: Friday/Saturday 9 pm close**

Our pizzas are artisan house-made creations, and as such, may be between 11" and 12". Each pizza has the same amount of dough, but depending on various factors, could end up slightly thicker or thinner, resulting in slight size variations. But each will be amazingly full of high-quality ingredients and bursting with flavor!

## Weekday Lunch Special (11:00 - 2:00)
